Easy to Use

Very affordable, and useful for the entire year. The Grapevine Discount Card is a great way to save money while helping to support your local business owner, non-profits, youth groups, churches and your community as a whole. Simply purchase the Grapevine Discount Card from any number of local organizations or charities, or from any participating local merchant.

Pays for Itself

Just present your Grapevine Discount Card at participating merchants and your discount will automatically be deducted, subject to the merchant's terms. The card may be used an unlimited number of times during the year, but is non-transferable. See the GrapevineDiscounts.com website to find all of the participating merchants in your area. You'll be surprised how quickly the card will pay for itself during the course of the year!

Helps your Community

When you purchase a Grapevine Discount Card from a local organization such as a Scout Troop, church or school group, you not only help them raise needed funds, you help them reach their civic goals. By using our card at your favorite local merchants, you are keeping funds in the local economy while helping local businesses stay vital. GrapevineDiscount.com is growing nationally, so regardless of where you purchase your card you'll be able to use it even while vacationing!
