A Local Focus

As a local non-profit or organization, you are an integral part of your community. Selling the Grapevine Discount Card is not only a great way to raise money, but it's also a great way to stimulate the local economy and promote the "Shop Local-Buy Local" philosophy that is at the heart of GrapevineDiscounts.com! The Grapevine Discount card enables local business owners to offer discounts to local consumers for local products and services.

Who Qualifies?

We allow many organizations, non-profits and other groups, with a worthy cause, to sell our cards. No matter who sells the cards, the entire community benefits! Local consumers can only purchase the Grapevine Discount Cards through such local organizations and when they do, they get the satisfaction of knowing they are supporting your local cause and their community as a whole!

How you sell the cards...

Depends greatly on your type of organization, but here are just a few suggestions:

- *Booth at local grocery stores*
- *Booth at weekend Mass*
- *Door to door sales*
- *Family and friends*
- *County Fairs*
- *City Council Meetings*

***Other sales possibilities are as limitless
as your imagination!***
