

# Looking for a Great Fundraiser?

Discount Cards have been, and can be, great fund raisers for schools, churches and youth groups, such as the Boy Scouts and Girl Scouts. Many non-profit organizations and local sporting groups can also use discount cards to raise much needed funds.

## Fundraisers should always:

- Be Fun
- Provide Value
- Promote reputable organizations
- Have a minimum of 40 local merchants participating and providing great value.  
(on occasion there may be fewer)

A local rep will deliver your cards and promo items to your door, plus help you organize your fundraiser.

No hidden charges - No upfront costs - pay only for the cards you sell!  
(A credit card deposit is required)

Our quality, full color cards have the same size, shape and durability as a standard credit card.
